## A "First Time" Building Experience!

LEGO® Juniors is designed to give young builders a great first experience with the LEGO brick through iconic, fun and Easy to Build models. These sets are perfect for small children eager to build more complex models and transition from playing with LEGO DUPLO® bricks to LEGO bricks.

**EASY TO BUILD**  
4-7 Years

### Numbered bags

LEGO® Juniors sets come in pre-packed, numbered bags. This gives children a clear overview of what is in the box.

### Easy and playful instructions

Each set comes with easy building instructions and fun ideas to role play. They are specially designed so 4 year olds can crack the brick building code and stay focused as they create.

### Quick start elements

Quick start construction elements are easy for small hands to handle and assemble by themselves and provide children with an intuitive start and success in building.
